INTERIOR

Drive computer

Everything you want to know about your trip is on the computer (SE grade and above): driving time, average speed, fuel consumption and range - it even lets you know when a service is due.

Sunglasses holder

The softly lined sunglasses holder slides smoothly open. Roof mounted, it's easy to reach whenever the sun comes out.

Full climate control

Every Almera grade comes with air conditioning as standard. Want to maintain the temperature without fiddling with the controls? Climate control air conditioning is available on all grades from SE and above.

EXTERIOR

Styling

Designed in Europe specifically for Europeans, the Almera has been sculpted to create a streamlined silhouette, accentuated by distinctive touches such as the high efficiency front projector headlamps.

Projector headlamp

The high efficiency projector headlamps pierce the darkness with a sharp, focused beam. But they also look great, with chrome bezels and a titanium surround accentuating the Almera's streamlined styling.

Three body types available

If we all had the same tastes, lifestyle and interests, we'd all want the same type of car. Fortunately we're all different, so we offer you three different Almeras: the sporty 3-door, versatile 5-door and elegant 4-door saloon.

NISSAN ALMERA Performance

Driving is still a thrill

ENGINE LINE UP

2.2 dCi diesel engines

Pick your diesel power. The 2.2 dCi 136 engine packs 136 PS and 304 Nm of torque at only 2000rpm, making rapid acceleration an effortless experience, especially with the 6-speed gearbox. There's also a 2.2 dCi 112, if economy is your top priority. Both engines have 16 valves and four cylinders.

1.5l & 1.8l petrol engine

Our fuel efficient engines are designed to produce most of their torque at low revs, making them feel even livelier. It also reduces the need for gear changing. Though you might still want to shift gears just for the fun of it.

HANDLING & BRAKING

Three braking systems

Three braking systems work together to help you stop safely. Electronic Brake Force Distribution (EBD) ensures optimum braking on all wheels, depending on car load and road surface. Brake Assist measures the force a driver applies to the brake pedal. When the force exceeds a preset amount, Brake Assist applies the brakes fully. And ABS prevents the wheels from locking so you stay in control of the car.

ESP

The Electronic Stability Program, fitted to models with the dCi 136 engine, gives you more control on slippery road surfaces and in emergency manoeuvres. When the car starts to over- or under-steer, ESP automatically controls brake pressure and engine output. This is called dynamic-engine torque demand (D-ETD). ESP also includes a traction control system (TCS), which reduces wheelspin during full power acceleration.

NISSAN **ALMERA** Performance

	Fuel consumption (l/100 km)			CO2 Emission Combined (g/km)
	Urban cycle	Extra cycle	Combined cycle	
1.5 16v 5 speed manual (3 door hatchback)	8.7	5.5	6.7	160
1.5 16v 5 speed manual (5 door hatchback)	8.7	5.5	6.7	160

Safety and Security

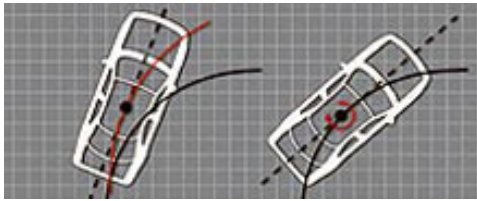

Built-in reassurance

ACTIVE SAFETY

Three braking systems

Three braking systems work together to help you stop safely. Electronic Brake Force Distribution (EBD) ensures optimum braking on all wheels, depending on car load and road surface. Brake Assist measures the force a driver applies to the brake pedal. When the force exceeds a preset amount, Brake Assist applies the brakes fully. And ABS prevents the wheels from locking so you stay in control of the car.

ESP

The Electronic Stability Program, fitted to models with the dCi 136 engine, gives you more control on slippery road surfaces and in emergency manoeuvres. When the car starts to over- or under-steer, ESP automatically controls brake pressure and engine output. This is called dynamic-engine torque demand (D-ETD). ESP also includes a traction control system (TCS), which reduces wheelspin during full power acceleration.

Anti-theft system

Unless you give the signal, your Almera isn't going anywhere. Inside the Almera's key is a tiny microchip that communicates with the engine immobiliser, allowing the engine to start. Without both the chip and the key, your Almera will always be where you left it.

PASSIVE SAFETY

Four airbags and front seat active headrests

Every Almera has driver and passenger airbags as standard, with side airbags and anti-whiplash front seat active head restraints on SE grades and above. In a collision, they move forwards and upwards to cushion your head, reducing the chances of whiplash.

Seat belts with pretensioners and load limiters

The seat belts have two features to help reduce injuries. Firstly, the front seat belts have pretensioners to automatically help tighten the belts when the airbags deploy. And secondly, if your body puts too much force on the belt, load limiters cause the belt to give a little.

NISSAN **ALMERA**

Grades & equipment

AVAILABLE GRADES

Grade : S

With an enhanced, streamlined shape and new interiors, the entry-level S grade boasts an extensive range of standard features, including ABS, air conditioning, CD audio and keyless entry.

From £10,600

Grade : SE

The SE grade features a host of intelligent features, including: the innovative N-FORM centre display monitor with intelligent control, drive computer, Ultrasonic Rear Park System, climate control and steering wheel mounted audio controls.

From £11,350

Grade : SVE

Combining technology with luxury, the SVE features Nissan's advanced DVD satellite navigation system, 7" colour display monitor, electric tilt and slide sunroof, 16" alloy wheels and front fog lamps.

From £12,950

Grade : SX

With an impressive specification including the innovative N-FORM centre display console, 16" alloys, subtle bodykit and for a limited time free part leather trim, the SX is an attractive package however you look at it.

From £12,300

Grade : FLARE

With our latest special version having all the impressive features of the S grade plus an ultrasonic rear parking system all at a great price, there's never been a better time to add a touch of 'Flare'

From £8,995
